Contemporaneous with this motion, the government filed the parties' Joint Emergency Motion for Compassionate Release under 18 U.S.C. § 3582 (c)(1)(A)(i), ECF No. 114. The joint motion refers to an under seal filing of Mr. Pope's medical records, which undersigned counsel obtained from the Bureau of Prisons and which the parties believe will assist the Court in evaluating the motion. Because the records contain private medical records, the parties believe they should be filed under seal and remain under seal. We therefore request leave to file that record under seal.

CONCLUSION

For the foregoing reasons, the government respectfully request leave to file a Sealed Exhibit to the joint motion for compassionate release, and requests that the Court maintain those records under seal.
